## FOCUS FORTY

This program is targeted to students who understand the need of an early start to success in school and competitive exams. This program extensively covers both IIT-JEE, Medical and CBSE preparation and teachers take great care to initiate the child with basic concepts in Physics, Chemistry and Maths and then smoothly transitioning to a higher and complex level of problem solving. The two-year course design equips the student with a very solid foundation, logical analysis and problem solving skills to leave no stone unturned for success.

**Course is divided into 2 academic sessions.**

**Session-1:** In XI class, the entire CBSE syllabus of PCM for XI and in depth conceptual understanding for IIT-JEE.

**Session-2:** In class XII, the entire syllabus PCMB for scoring high marks in XII board exams and greater focus on accuracy and speed in problem solving. XI competitive syllabus is simultaneously revised to keep the students updated for the entrance exam the following year.

This course aims at laying down the fundamentals of Engg. Entrance Examinations besides making the CBSE preparation more conceptual and comprehensive. This is accomplished through motivating the students in regard to learning tools, mastering concepts, thinking critically and solving problems within the specified time limit by skilled professionals.

## FOCUS 40 Academic Workshops

Academic workshops by expert faculty and counsellors, to guide students at various stages of the academic year. These sessions help analyze a student's strengths and identify development needs.

## FOCUS 40 Academic Tests

Academic tests at regular interval prepared by the eminent faculty of F4T, an initiative to help students identify their true potential in key subjects. It helps the students know their areas of strengths and weaknesses and take actions wherever possible for a better result.

## FOCUS 40 Special Workshops

We provide various sessions aimed at promoting and identifying inherent strengths and aptitude of each individual student. This includes Time Management, Awards for Academic Excellence etc.

## FOCUS 40 Parent Counselling

From handling teenagers firmly yet gently to ensuring discipline in students, our F4T specialists work with parents to identify these challenges and educate them on dealing with such situations. Moreover, these sessions deal with how to understand and manage expectations to help students transit from one class to another of higher difficulty.

### **FOCUS 40 Expert Faculty**

F4T prides itself in having expert faculty of the highest caliber. They are hired & trained rigorously on topics within their subjects, which makes them subject experts. The academic style adopted by them is interactive, student oriented and unbiased.

F4T believes in friendliness, patience and approachability. Our faculty is someone who students not only feel comfortable to approach for queries and doubts, but also someone who understands every student's needs.

### **FOCUS 40 Course Coverage**

F4T offers all critical subjects for CBSE Classes XI-XII enabling students to study all subjects under-one-roof helping them to avoid unnecessary travel time from one place to another. Course material has been developed by expert faculty at par with CBSE and IIT/JEE/AIPMT guidelines. We follow a schedule that ensures the course is covered twice in a year to help the student be ready and confident for the school exams.

### **FOCUS 40 Technology Aided Teaching**

Through Technology Aided Teaching, F4T introduces a new dimension to classroom learning by using the best multi-media technology to create more interesting learning situation for all subjects. This not only enhances retention of concepts in the minds of students but also helps make learning more interactive and experiential.

### **FOCUS 40 Regular Testing and Feedback**

F4T has a structured, periodical testing process that assesses a student's grasp of the subject after every module. Student gets used to being regularly examined, which helps them approach crucial exam dates with clarity and confidence.

Regular feedback to the parents and students in the form of Parent Teacher Meetings are organized throughout the academic year, to keep the parent abreast with the performance graph of the student.
